

Helping dreams take flight.

CAEF supports local efforts to improve flight safety and programs to make aviation more affordable for all who want to fly. Providing scholarships, encouraging new pilots, supporting missionary aviation, and enhancing flight safety are the major reasons for CAEF's existence.

Join us in helping dreams take flight.

Richard Forrestel,
Chairman of the Board,
Cold Spring Construction
Company, was a founding
owner of Akron Airport and an
avid supporter of General
Aviation in Western New York.
CAEF is honoring Dick's
contributions to aviation
by establishing a
Memorial Scholarship
in his name.
